- Graphic Design

I am Character Designer, 2D Animator, Toon Boom/After Effect Character Rigger, Graphic Designer, and Photographer. I have experience in 2D animation with Toonboom, Photoshop and Clipstudio Paint and the fundamental understanding of 3D Animation with Maya. While using Photoshop, I am capable of creating layers of Characters and Backgrounds to import them into programs such as Toonboom and AfterEffects. I have self-taught myself Adobe Animate and Adobe Character Animator. I am a skilled collaborator, an effective cross functional communicator and solution orientated professional.
